

Dear FEDXP members,

On behalf of the Bouvet Island DXpedition-2018, thank you for your kind contribution of \$500 USD.

Please accept this small gift (download the attachment) to recognize your important and generous contribution toward the Bouvet DXpedition-2018 expenses. As you probably know, this is likely the most expensive DXpedition ever attempted.

It is dedicated and generous DXers like you and your group members that make DXpeditions such as this possible, and we are pleased that your group is now one of our important supporters.

One of the goals of the Bouvet Island DXpedition-2018 is to provide at least one QSO to every DXer who needs this #2 ranked DXCC entity for an all-time new one (ATNO). Also, we want to provide as many band/mode contacts needed by DXers as we possibly can. We believe we have the plan, the team and the equipment to make this happen!

Your contribution will help make all this a reality for not only our team of DXpeditioners, but for DXers, worldwide...THANK YOU!

See you in the pileups!

For the team,  
Ralph Fedor - KØIR  
Bob Allphin - K4UEE
